Using Board games as a metaphor for our lives, *When the Game Is Over, It All Goes Back in the Box* neatly sorts out what's fleeting and what's permanent in God's kingdom. Being Master of the Board is not the point; being rich toward God is.

Board games, like life, have an object, there are rules to follow and each player develops a strategy. And in the end, all the pieces go back in the box ...

John Ortberg is an excellent communicator and uses a variety of real life stories to illustrate his thinking. Like the stories that Jesus told, they draw you in with enthusiasm and excitement, but there is a serious message to be heard!

When the Game Is Over, It All Goes Back in the Box is very readable, punchy and provocative.

A great read.
