

STREET ADVENT TRAIL

Lighting the way to Christmas

Play with light & Shadows: Home made light box

You will need:

Mobile phone with torch or a battery light

An empty box

An empty picture frame or film wrap & tape

A variety of items of which you can explore the shadows

1/ Place phone into box with the torch on facing up

2/ Place frame or cling film .
(if using the later secure with tape and pull it taught)

3/ Place the items you've found on top and see what shadows they make

You could even make your own picture! (If you do share it on the cairns road facebook page we would love to see it)
